You can go ahead and set up your poll and see who we can get from here afterward. The people on my end are always busy, so they shouldn't be drivers. I would focus on what is best for OLEM, and then we will try to fit your schedule. OK?

Hi Jackie,

Are you in the office today? I was going to set up a doodle poll to work out a time for the tour of [Ex. 6 Personal Privacy (PP)] in [Ex. 6 Personal Privacy (PP)] and wanted to see with you who would be going and whether there are any preferred times.
